Common Pricing Questions

Why is the price significantly lower than others?

Text2Bid is clean and efficient electronic bidding. It works through the internet and doesn't require any rentals or contractors, which significantly reduces our cost to offer Text2Bid.

How early do I have to order Text2Bid?

We typically ask that you order Text2Bid no later than 14 days before your event. If your event is in less than 14 days, give us a call right away - there's a reason our slogan is "Make it Happen®"!

What does the 4% apply to?

Compared to a tiered pricing structure, the 4% closeout fee keeps things fair regardless of how much you make. The closeout fee applies only to the final item bids, merchandise, and donations made through Text2Bid. It does not apply to anything sold outside of Text2Bid such as the live auction, raise-the-paddle, and merchandise sales entered directly into AuctionMaestro Pro.

What does the cancellation or rescheduling policy?

If your event date changes, we move your event date for no charge.
