

Choosing Text2Bid is easy!

To help you understand the differences between Text2Bid and other electronic bidding solutions out there, always ask the following questions:

CONTRACTS AND AGREEMENTS

- How early do I have to reserve your services?
- What if I need a refund because my event was canceled?

PLANNING AHEAD

- What if my event date needs to change due to an emergency or venue issues?
- If a contractor is sick, how are they replaced last minute?
- Can I practice using the entire system to train volunteers well before the event?

ELECTRONIC BIDDING COSTS

- What are the up-front costs?
- How much does it cost for more devices?
- What happens if someone keeps a device by accident?
- How much do I have to pay after the auction?
- How much does it cost to sell tickets through your service?
- If my event is in a large room or outdoors, does that cost more money?
- What are the costs for opening the bidding early or holding multi-day events?

ELECTRONIC BIDDING FEATURES

- How are people notified that they're outbid?
- Can the devices play a sound or vibrate?
- Can bidders see a history of bids for an item?
- Can bidders skip bid steps?
- Does the system have backup power?
- If all the rented devices look similar, can people accidentally bid with the wrong one?
- Can people bid from home or on vacation?
- If someone needs to leave early, can they keep bidding after they leave?
- Can I rent the equipment but set it up myself to avoid contractor costs?
- If I use a cell phone bidding solution, does it work with text-only phones?
